

# Have Yourself a Merry Little Christmas

Hugh Martin, lyrics by Ralph Blane

1.

A $\flat$  $\Delta^7$  F $m^7$  B $b_m^7$  E $\flat^7$  A $\flat\Delta^7$  F $m^7$  B $b_m^7$  E $\flat^7$  A $\flat\Delta^7$  F $m^7$  B $b_m^7$  E $\flat^7$

Have your-self a mer-ry lit-tle christ-mas Let your heart be light  
From now on our trou-bles will be out of  
Have your-self a mer-ry lit-tle christ-mas Make the yule-tide gay

2.

A $\flat\Delta^7$  F $m^7$  B $b_m^7$  E $\flat^7$  A $\flat\Delta^7$  A $\flat^7$  D $b\Delta^7$  C $7$  F $m^7$  A $\flat^7$  D $b\Delta^7$  D $b_m\Delta^7$

sight From now on our trou-bles will be miles a - way Here we are as in

C $m^7$  B $m^7$  B $b_m^7$  E $\flat^7$  A $\flat\Delta^7$  D $m^7\flat^5$  G $7$  C $m^7$  B $7$  B $b^7$  E $\flat^7$

old-en-days hap-py gold-en-days of yore faith-ful friends who are dear to us gather near to us once more

A $\flat\Delta^7$  F $m^7$  B $b_m^7$  E $\flat^7$  A $\flat\Delta^7$  F $m^7$  B $b_m^7$  E $\flat^7$  A $\flat\Delta^7$  F $m^7$  B $b_m^7$  C $7$

Through the years we all will be to-ge-ther if the fates al - low Hang a shin-ing star up on the high-est

F $m^7$  A $\flat^7$  D $b\Delta^7$  B $b_m^7$  E $\flat^7$  A $\flat\Delta^7$

bar and have your-self a mer-ry lit-tle christ-mas now
